Jack,

Thank you for advising us about the Government of Iraq's interest in acquiring a U.S. Marine Corps training film. Our people will not be following up on this, but I appreciate your thinking of us.

Dear John

DSD Review completed

I am writing separately to congratulate you on your well deserved selection for promotion, so in this note I will stick to business - which involves an effortiby a representative of the Government of Iraq to acquire a U.S. Marine Corps training film, an effort I thought the Agency might be able to put to some use for trading purposes if it were interested.

Mr. Joseph Alto, vice president of Trans International Ltd, Room 1919, 1625 I St. N.W., Washington, D.C., 20006 (telephone 872-0722) telephoned me to report that an Iraqi official had asked his assistance in the purchase of a Marine Corps film, "Future Marine Corps Recruits." This is a 20-minute film prepared by the J.Walter Thompson advertising concern in New York City.

I first met Mr. Alto years ago when he was a HUMINT officer in the Air Force .

After contacting USMC Headquarters, I advised Mr. Alto that the film was not for sale, but that if he or the Iraqi representative wanted to write Colonel J.R.Ruffini, Chief, Marketing Branch (MC-MRM) at Hq, USMC, he could ascertain whether some arrangement might be made to obtain access to the film. Col. Ruffini's telephone number is 694-1786.

I have been involved in this matter only to the extent indicated above, but Mr. Alto asked me to advise your agency, which I am hereby doing.

Respectfully,

Maj. Gen Jack E, Thomas, USAF, Ret.

If anyone should want to reach me I am still in the Pentagon, Room 3D239, telephone 697-2720.
